Highlighting Our Partners

Stork & Co. is proud to have so many wonderful and community-driven partners. This year, we are proud to say we were able to help deliver over 500 baby boxes to families, thanks to partners such as Children's Hospital of Wisconsin's Community Services, which received 500 baby boxes in coordination with Stork & Company.

In 2017, we have already started to expand our list of partners in anticipation of the 1,000 baby boxes we hope to deliver to families this coming year. As part of the universal baby box program we are currently developing, which will include an education component for parents in addition to their baby box, these 1,000 baby boxes will go to partners willing to participate.

If you or an organization you know of would be interested in providing baby boxes to families, please contact us at storkandco1@gmail.com or by phone at 414-688-7828.

Thank you to all of our amazing partners, and we look forward to what the new year will bring!
